Hi,

I really like the idea of a southern branch of LACMA. It would draw from all over the So Bay and Long Beach (& beyond).

I also think it would bring great energy to our artists and galleries.

Subject: Request Feedback on Courthouse Project / Presentation at Next Board Meeting

Board Members,

The Department of Public Works has reached out to us and requested to attend our next board meeting and give a presentation.

I wanted to give you an opportunity beforehand to perhaps either gather your thoughts or even give me your feedback in writing ahead of time and I can pass along the information.

Best regards,
